Docket No. 98N-1265

Food and Drug Administration

Rockville, MD. 20857

**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS: Dear Sirs, I tried every  
kind of Rx my doctor recommended to treat  
my menopause and went through a series  
of reactions (bad ones) to them. I finally  
read about Madison Pharmaceuticals and contacted  
them. I have been using their compounds for  
three years with no problems. Please don't  
take this ability to seek specialized compounds  
away from me and other women who have  
the need for them.
